The first two clinics will focus on the full swing fundamentals of grip, stance, posture, rhythm and tempo, and the next three clinics will progress through the short game, including chipping, putting and bunker play. We'll address the rules of play, course etiquette, and safety; and the final clinic will be a fun, and informative on-the-golf course lesson! To ensure ample one-on-one instruction, the maximum number of students in each clinic is five.
